### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of Dunbarton, qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall, in said district, on the ninth day of March, 1935, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see if the district will vote to insure the schoolhouses that are not in use.

10. To see if the district will vote to sell the Burnham Hill Schoolhouse.

11. To see whether the district will vote to let the transportation of the school children out to bids or continue to leave it in the hands of the School Board.

12. To see if the district will vote to transport the school children from the Burnham Hill and North Dunbarton School Districts to the Center School and raise and appropriate money for the same.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Dunbarton, this 9th day of February, 1935.

## REPORT OF SCHOOL BOARD

---

*To the Inhabitants of the School District of Dunbarton:*

The School Board herewith submits its annual report for the year 1934.

For several years there has been some discussion concerning a two-room school building at the Center. Several superintendents have advocated it in their annual reports. Before there were any plans made for application for Federal aid, upon request, Mr. Farnum drew up a splendid plan of a two-room school building should the school district at any time vote to build one.

The National Industrial Recovery Act provided that federal funds should be available for aiding in the construction and financing of any public work project, including construction, repair and improvement of school buildings. December, 1933, Superintendent Bushnell and the School Board made out an application for Federal aid for the remodeling of the Center School. Since there was an opportunity to secure an outright gift of a certain per cent of the cost, it seemed only due the school district to present the proposition to them, to be approved or rejected. Mr. Pringle, Commissioner of Education, had charge of the school projects in the State and informed us the application for remodeling the present school building had been approved as one of the projects, if the district so voted.

## REPORT OF HEALTH DEPARTMENT

---

Dunbarton, N. H.

A dental clinic was held in June. Thirty-five received complete care, also one in December, when 38 were treated.

In February, 1934, an audiometer test was given in all the schools. This is a method of determining how well a child can hear. Four had a hearing loss of nine sensation units. These four were taken to Manchester to a throat specialist and he thought that tonsils, in all probability, was the cause of this condition, and advised tonsilectomy.

The correction of physical defects has always been a source of concern to our school physicians and school nurses. Many homes where the family income cannot be stretched to include extra attention to children who have defective teeth, tonsils, eyes, etc. are helped.

The Child Health Recovery Program was made possible July the first, through an allotment of Federal funds to the New Hampshire Relief Administration for the purpose of providing treatment for needy children suffering from these defects.

Hot lunches were provided in many of the rural schools of our State, also milk and cod liver oil.

It might be interesting to know that through this Relief and other sources this Union, consisting of Goffstown Village, Goffstown Town School District, New Boston, Bedford, Weare, and Dunbarton, 71 defective vision cases have been corrected, 51 have had their tonsils removed and 458 have received complete dental care through the seven dental clinics which have been held since June, 1934.

An earlier school meeting was called March 1, 1934, because all new school projects started at that time. The sentiment of the meeting was for a two-room building for the following reasons: the Page's Corner School needed remodeling; the majority of the children enrolled at that school were transported; the enrollment at the Center School was too large; and the advantages for the pupils were better instruction, more interesting work and more competition. The district voted to

raise \$1,400 to cover the cost of lumber and building materials. No guarantee of labor could be given for any definite length of time so the meeting was adjourned until May twelfth in order that further action could be taken.

Bids were secured on lumber and building materials from surrounding cities and materials purchased from the lowest bidder. Since the code on lumber, etc., had just gone into effect there was little difference in most of the bids.

The State Board of Education did not recommend the old-fashioned toilets, and chemical toilets have not proven very satisfactory in town and in some school buildings, so frost-proof flush toilets were installed upon approval of the school district at the meeting May twelfth. At that meeting authority was given the School Board to complete the school building, the deficit to be met at the school meeting March, 1935.

A right of way to a spring was purchased from Mr. Pride, also the right to build a pump house, and to lay 900 feet of land tile in his land for sewage disposal. The whole system was installed under the direction of the State Board of Health. The water system has worked perfectly and is a great asset to the school, not only for toilet facilities but as a source of fire protection. The water is piped into the hall, where, by means of a hose attachment, a large stream of water may be obtained.

Through the help of the various Federal agencies labor was furnished until the school building was completed and the water system installed. The payroll sheets totaled \$4,808.30; \$3,222.80 of this amount was paid to residents of Dunbarton.

The splendid co-operation from Mr. Farnum and Mr. Pringle of the State Board of Education was greatly appreciated. Their advice was often sought during the building process. Gratitude has been expressed for their interest and help in securing for Dunbarton a very modern, well lighted and roomy two-room school building.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Voters and Citizens of Dunbarton:*

During the last two years a number of changes have, of necessity, been made in the make-up of the Supervisory Unions in the State. Along with many other towns, Dunbarton has been shifted from the group of which it has been a part for years, and has become a member of Supervisory Union No. 19, which now consists of the school districts of: Goffstown Town, Goffstown Independent, Bow, Dunbarton, New Boston, Weare. Bow is also with this Union at present.

These changes were made by the State Board of Education in the last two years, as they faced the necessity of reducing the number of Supervisory Unions in the State by ten. This has meant that some Unions were entirely broken up and the districts united with adjoining Unions. The Union for this year and data concerning each district is found in the following table :

District	Teachers	Pupils	Buildings Used
Goffstown Town .....	9	250	4
Goffstown Independent ...	9	246	2
Bow .....	7	140	6
Dunbarton .....	4	79	3
New Boston .....	5	140	1
Weare .....	14	264	10
—	—	—	—
Total .....	48	1119	26

The citizens of Dunbarton have reason to take pride in the new two-room building at the Center. Commodious, splendidly lighted, conveniently arranged, it provides pleasant and

comfortable rooms in which the pupils may live and work. Because now, while they work there, they are actually living —life-habits and life-attitudes are finding their “set” and direction. Pleasant surroundings react favorably, and are a real asset for the school and aid the teachers in their endeavor to secure lasting and worth-while results.

During this “getting-acquainted” year, I have sincerely appreciated the cordial co-operation of the members of the School Board and of the teachers. Lack of co-operation among those who conduct and direct schools can well-nigh wreck the whole business.

Respectfully submitted,

J. BYRON TARNEY,  
*Superintendent of Schools*

The following pupils are attending high schools this year:

*Manchester Central*

Blanche Dugrenier	Bruce Pow
Adam Bernatos	

*West Side (Manchester)*

Charles Untiet	John Untiet
----------------	-------------

*Concord High School*

Cynthia Crosby	Elizabeth Weston
William Earle	Esther Wheeler
Robert Hammond	John Wheeler
Roland Walsh	Lewis Wheeler
Blanche Warriner	Angus Woodbury
William Welch	Mildred Dudley

*Goffstown High School*

Ruth Jones	Constance Burnham
Lois Jones	Frieda Burnham
Florence Grant	

## HIGH SCHOOL TUITION RATES

Manchester and Concord, \$100. Goffstown, \$70.

There are 12 pupils in Concord, 5 in Manchester, 5 in Goffstown.

This requires about \$2,000 for high school tuition for the current year.
